NETBALL CLUB

RIVERTON, SADDLEWORTH, MARRABEL UNITED NETBALL CLUB

## **2025 SPONSORSHIP PROSPECTUS**

## Our Club

The RSMU Netball Club is an independent, incorporated sporting organisation, who together with the RSMU Football Club, participate in the North Eastern Netball Association and Football League.

Our club and courts are based centrally at Riverton, with members travelling from the surrounding towns of Saddleworth, Marrabel, Rhynie, Auburn, and Tarlee and a small contingent travelling from Adelaide.

We aim to provide the best possible environment for members to experience a community sporting club which promotes participation, achievement and contribution.

We are a professional, community focused club which provides members of ages 5+ with the opportunity to play competitive netball in a safe, enjoyable and family friendly atmosphere.

# From the President

As we step into a new season, it's important to pause and reflect on the many achievements of 2024—both on and off the court. While a premiership may have eluded us last year, our club continued to thrive and grow.

With strong foundations, particularly in our junior programs, we're excited about the future and confident that victories are just around the corner. A major highlight of 2024 was the introduction of the U17 competition, and changes to the Junior Program at the association level, which has benefited our young members, in ensuring they all are able to participate in the sport at their challenge point. These changes have been incredibly well received across the Association, and is shaping a positive pathway for our future stars.

On the court, we celebrated some outstanding individual and team achievements, including:

- Inter 2 team, led by Sarah Noack, reaching the grand final.
- Abby Griffiths making club history by winning A1 Best & Fairest, Most Influential Player, and being named in the Team of the Year — this is the first time any RSMU player has received all three acknowledgement and awards!
- Jess McInerney (B1 Association Best & Fairest) and Georgia Dixon (Inter 2 Association Runner-up Best & Fairest).
- Strong representation at Country Championships, with multiple RSMU players selected to compete.

We also recognised incredible milestones in senior games played, with standout achievements including Cath Greenslade reaching 500 games, and several players surpassing 100, 150, 200, and even 350 games.

We'd like to extend our deepest gratitude to the players, supporters, umpires, committee members, and volunteers whose dedication makes RSMU Netball Club what it is today. Special thanks to last year's executive committee—Kerry Heinrich (President), Emily Behn (Secretary), Zoe Hier (Treasurer)—as well as our tireless coordinators and coaches who ensure the smooth running of the club.

As I step out of the Junior Coordinator Role, and into the President this year, I'm grateful to have Emily, Zoe, and Kerry remain in the Executive, and welcome Simone Miller who joins our leadership team as Junior Coordinator, and Sarah Noack who will continue in her role as A1 Coach, and Senior Netball Representative.

As we look ahead, we're excited for what the future holds. With the continued support of our sponsors and community, we are confident in the ongoing growth and success of RSMU Netball Club. To our valued sponsors—thank you. Your generosity helps us provide opportunities for players of all ages, and we look forward to sharing another fantastic season with you in 2025!

Regards,  
Paige Rowett,  
President
